

## **Obstacle Course**

**Objective:** let the kids explore the obstacle course by taking turns going through the different parts.

### **Rules:**

- 1. Starting the Game:** Explain the course layout to the children, demonstrating how to navigate each obstacle.
- 2. Taking Turns:** Children take turns going through the obstacle course. Emphasize taking turns and waiting patiently for their turn.
- 3. Exploring the Course:** Encourage children to explore the course at their own pace, offering guidance and support as needed.
- 4. Completion:** After completing the course, children return to the start line and wait for their next turn.
- 5. Safety:** Ensure children understand the importance of moving safely through each obstacle and being mindful of others.
